Most years for Lent I give up Diet Dr Pepper or ice cream or some other food related vice. However, this year I've pretty much already given those up so I'm having to rethink my Lenten practices a bit.

This year I want to focus on relationships during this time. And specifically, relationships with you all. So, there are several upcoming ways I'd like to gather with you to share life and enjoy one another's presence in the coming weeks.

First, ladies coffee will meet a week early on Friday, February 24th. I need to be in Paris to help my brother with my mom on March 3rd.

Next, our monthly potluck is next Sunday after church. This is a great time to invite a neighbor or friend or family member who isn't involved in a church community.

Third, a new opportunity. Once a quarter, I'll be at a local eatery for what I'm calling Senior Saints. If you consider yourself a senior or a saint (or neither for that matter), join me for a dutch treat lunch full of a lot of laughs! The first one will be Monday, March 6th at Tres Niños at 11am!
