You all embody the best of what it means to be church. Over the last month or so you have extend grace upon grace as I have gone back and forth to Paris to help care for my mother almost every week. You have given your blessing to do whatever I need to do to take care of my family...and myself. AND, I know you really mean it. They aren't just idle words because "that's what you are supposed to say."

And, you show up for each other. When there is a need for a family meal, you all respond and the whole thing is covered in 15 minutes. When a specific need is made known about the building, sometimes it is already fixed or addressed before I even know about it being a need.

You all have no idea how many pastors would love to be able to say that about their congregations. Truly. Thank you for seeking to live like Jesus in the world and among our community of faith. You are loved and appreciated!

Pastor Lory
