We had a great group of first responders join us for breakfast on Saturday. Someone said they counted 20 there ...and it was a chilly morning! Plus, we had a number of folks from our last breakfast who were on call at their "regular" first responder jobs in the metroplex Saturday.

It was cut short when the Nocona Fire guys were toned out on a call. However, they've probably never all been so close to the station when their pagers went off before! Several returned to finish up or grab seconds after the call ended.

We've now had 28-30 different firefighters, law enforcement officers, paramedics, and their family members join us for our quarterly breakfasts. My hope is that it will continue to grow and we will have multiple stations, units and communities involved.

Thank you to everyone who braved the cold to come and set up tables, cook, serve, welcome and share hospitality with those who serve and protect us each and every day. They really do appreciate the meal and opportunity to relax and fellowship. And I appreciate you all making it happen each time.

The next First Responders' Breakfast is scheduled for April 13th. I'll be on vacation then, so we'll need a few extra hands on deck to do some of the behind the scenes things! (Don't worry - I'll make a list!) :)

Sanctuary HVAC Update

The 30+ year old HVAC unit in the sanctuary has been replaced!! We have not heard back from insurance as to whether they will cover repair costs or replacement costs, but we will have some expenses related to this project. If you feel led to give above and beyond to help defray the costs, it would be much appreciated.
