I cannot thank you all enough for the ways you have loved and supported me and my family over the last few months as my mother's health declined and in her passing last week.

Thank you for your prayers and support as I have been away helping care for her, for holding down the fort at church and caring for one another when I've been out of town. Thank you for offering to cover things on Sunday mornings and take care of things at the parsonage.

Thank you for encouraging me to be with family during all of this time without any thought of guilt or concern for how things would manage in Nocona. I knew you all would carry on and I didn't worry at all because I know you all know how to be the church so well.

Thank you for the gorgeous spray you sent for the service. Thank you to those of you who came over Friday and Saturday for the visitation and service. The folks there were more than impressed with your love and care. And as they are all my "second parents" - they are so, so grateful I have such a wonderful church family taking such good care of me and loving me! I am, too! Thank you again for the ways you care for your pastor! —Pastor Lory
