Sunday, November 15th

11am – Worship - on Zoom and

We are about to enter into one of the busiest times in the church year – Advent! It will certainly look different than years past, but the wonder of the gospel story is that God came to us where we were in a tiny baby. And, God continues to come to us where we are today.

I know it seems early to be talking about Advent and Christmas, but we are three weeks away from the first Sunday in Advent!? I am working on some ideas for how to incorporate pre-recorded segments into our worship on Sunday mornings so that we can have our traditional elements like: lighting the Advent wreath, and Christmas carols. I'm working on a lessons and carols service for Christmas Eve that includes lots of scripture and all our favorite songs.

But, I need your help! If you would be willing to read a scripture passage or Advent wreath liturgy on camera (multiple attempts can be made until we get it just right!), please let me know. It will take me some time to get the editing done, so I am trying to start early!
