***February 4-10 - Pastor Lory on  
Vacation – Please call an elder  
for emergencies.***

I am on vacation this week....but it really means I have four or five doctors appointments. (All are regular, routine, yearly check ups.) Besides sitting in waiting rooms, I plan to read a lot, take some naps and visit with family.

Even though I've been here a short while, we've covered a lot of ground. We've celebrated Blessing of the Animals, All Saints Day, Thanksgiving, Advent including several special services, Christmas, New Year's, Epiphany, Pastor Installation and more.

We've had a faithful group come for coffee and conversation every Tuesday morning; we've served Fellowship of Christian Athletes a number of times at the high school; we've hosted the quilting group, Prairie Valley's 4-H club, and CASA volunteers; we've had steady attendance in Sunday school and in worship; we've had four new members join the church (including me); we've started a new discussion group for those reading through the Bible this year. We've been busy!

We are beginning to gain momentum and I believe the next several months will be even better! As part of that, I'd like to see us start a couple of opportunities (in addition to the good offerings we already have) for Bible study and fellowship. If you are interested men's only/women's only group, please let me know.

Have a great week!

We are now posting daily on Facebook. If you would like to say the Quote of the Week or ask the Question of the Week on video for us to post, please let Pastor Lory know. Videos are much more exciting than printed words!

### **Thank You Notes!**

**Last week you got a thank you note to send to someone. Have you sent it yet??**

### **Spiritual Gifts Survey**

Have you filled out your spiritual gifts survey? When you do, be sure to let Pastor Lory know your results!

**We had a good time at our first meeting last week. Our reading for February is Leviticus and Numbers. Join us February 27 for our next discussion group!**
